Let my people go

Let my people go song text

When Israel was in Egypt's land

Let my people go

Oppressed so hard they could not stand

Let my people go

Go down, Moses, way down in Egypt's land

Tell ol' Pharaoh, Let my people go.

Thus saith the Lord, bold Moses said

Let my people go,

If not, I'll smite your first-born dead

Let my people go.

Go down...

- Our own religion is rooted in the story of people who left their land from slavery into the desert, because they believed that the desert would be more fruitful than the little income they received as slaves.

- organise the “migrant workers” under our leadership
- threaten the people in power that “their” slaves might leave the land of slavery
- advocate for a minimum wage in all countries in order to establish an official bottom-line for “labour”, “salary” and “social protection” justice, because it is in OUR ALL interest – including citizens and migrant workers
